

Easy Drive-by Contributions

This page lists easy contributions to do without additional context. Perfect to do on a quiet weekend by yourself!

The page is free to edit, so if you've solved one of the issues, or concluded that it's not really easy to drive-by at all - feel free to remove or comment out the issue!

Docs

- <https://git.lix.systems/lix-project/lix/issues/779>
- <https://gerrit.lix.systems/c/lix/+2924> - needs review
- <https://gerrit.lix.systems/c/lix/+2927> - needs review

Python

- <https://git.lix.systems/lix-project/lix/issues/600>
- <https://git.lix.systems/lix-project/lix/issues/595>
- <https://git.lix.systems/lix-project/lix/issues/765> - also needs NixOS testing

Rust

- <https://gerrit.lix.systems/c/lix-installer/+1932> - needs review
- <https://gerrit.lix.systems/c/lix-installer/+1924> - needs review
- <https://gerrit.lix.systems/c/lix-installer/+2058> - needs review
- <https://gerrit.lix.systems/c/lix-installer/+2065> - needs review
- <https://gerrit.lix.systems/c/lix-installer/+2075> - needs review

NixLang

- <https://git.lix.systems/the-distro/infra/issues/170>
- <https://git.lix.systems/the-distro/infra/issues/154>
- <https://git.lix.systems/the-distro/infra/issues/146>
- <https://git.lix.systems/the-distro/infra/issues/95>
- <https://git.lix.systems/the-distro/infra/issues/65> - should be a one-line change?

Go

- <https://git.lix.systems/lix-project/external-bugs/issues/14>
- <https://git.lix.systems/lix-project/external-bugs/issues/13>
- <https://git.lix.systems/lix-project/external-bugs/issues/12>
- <https://git.lix.systems/lix-project/external-bugs/issues/11>
- <https://git.lix.systems/lix-project/external-bugs/issues/8>
- <https://git.lix.systems/lix-project/external-bugs/issues/7>

Java

- <https://git.lix.systems/lix-project/external-bugs/issues/3>

C++

- <https://git.lix.systems/lix-project/lix/issues/786>

Revision #1
